

Best Alumni Association in the Rotary World

On Sunday, 1 June 2019, at the Rotary Convention in Hamburg, Germany, Rotary District 7600 was formally recognized as having the Best Alumni Association in the Rotary World. With over 80 Alumni Associations in Rotary, this was a significant achievement and a singular honor.

On stage at the Grand Elysse Hotel, District Governor Clenise Platt accepted the honor from the Rotary International Alumni Staff. D7600 was recognized for their contributions to support Rotary's Alumni during the 2017-18 Rotary year.

During the year, the D7600 Alumni Association conducted three service projects, held a breakout and reception at the District Conference, inducted 10 members to the Class of 2017, and supported our PolioPlus efforts.

On hand to share in the honor were several members of the Alumni Association Leadership Team and other members of Rotary District 7600.

The official ceremony was preceded by an elegant reception. The occasion was a fitting honor for our District Governor Elect who was instrumental in starting the Alumni Association during Rotary year 2014-15.
