Foundation Goals for 2019-2020

Each year in Rotary we try to do a little more than we achieved the previous year. The bar keeps moving higher and higher! Here are my goals for the new Rotary year:

1. Every Rotarian cheerfully contributes to The Rotary Foundation. I recognize this may be a challenge for some people.
2. Continue to grow our Foundation giving, whether to the Annual Fund, Polio Plus, or the Endowment Fund. But remember ... you can give to all three funds. The Foundation helps Rotary clubs make a greater impact serving their communities.
3. Continue to grow participation by clubs in the District and Global Grant programs of The Foundation.
4. Create greater awareness of The Rotary Foundation within and outside the Rotary world.
